

**CLIMATE AND SDG
SYNERGIES**

Virtual Learning Series

**Harnessing Climate & SDGs
Synergies to
Raise Ambition in the Era of Paris+5
and Pandemic Recovery**

Webinar 1

**Making the Case for
Integrated Climate and
SDGs Action**

15 December 2020

09:00 - 10:30 A.M. EST

Open for all - Sign up at
<https://bit.ly/33WvO0v>

The first webinar in the series will provide participants with tools and evidence they can use to advocate for climate & SDG synergies in their local context. Speakers will illustrate how synergies can be tapped to meet needs now while laying the ground for more resilient, just, and prosperous economies.

They will introduce ways to demonstrate the potential of tying climate action to job growth and poverty reduction; human health; financing; food security; and resilience.
