

The Alliance for Accelerating Excellence in Science in Africa (AESA)

Tom Kariuki | Director of AESA

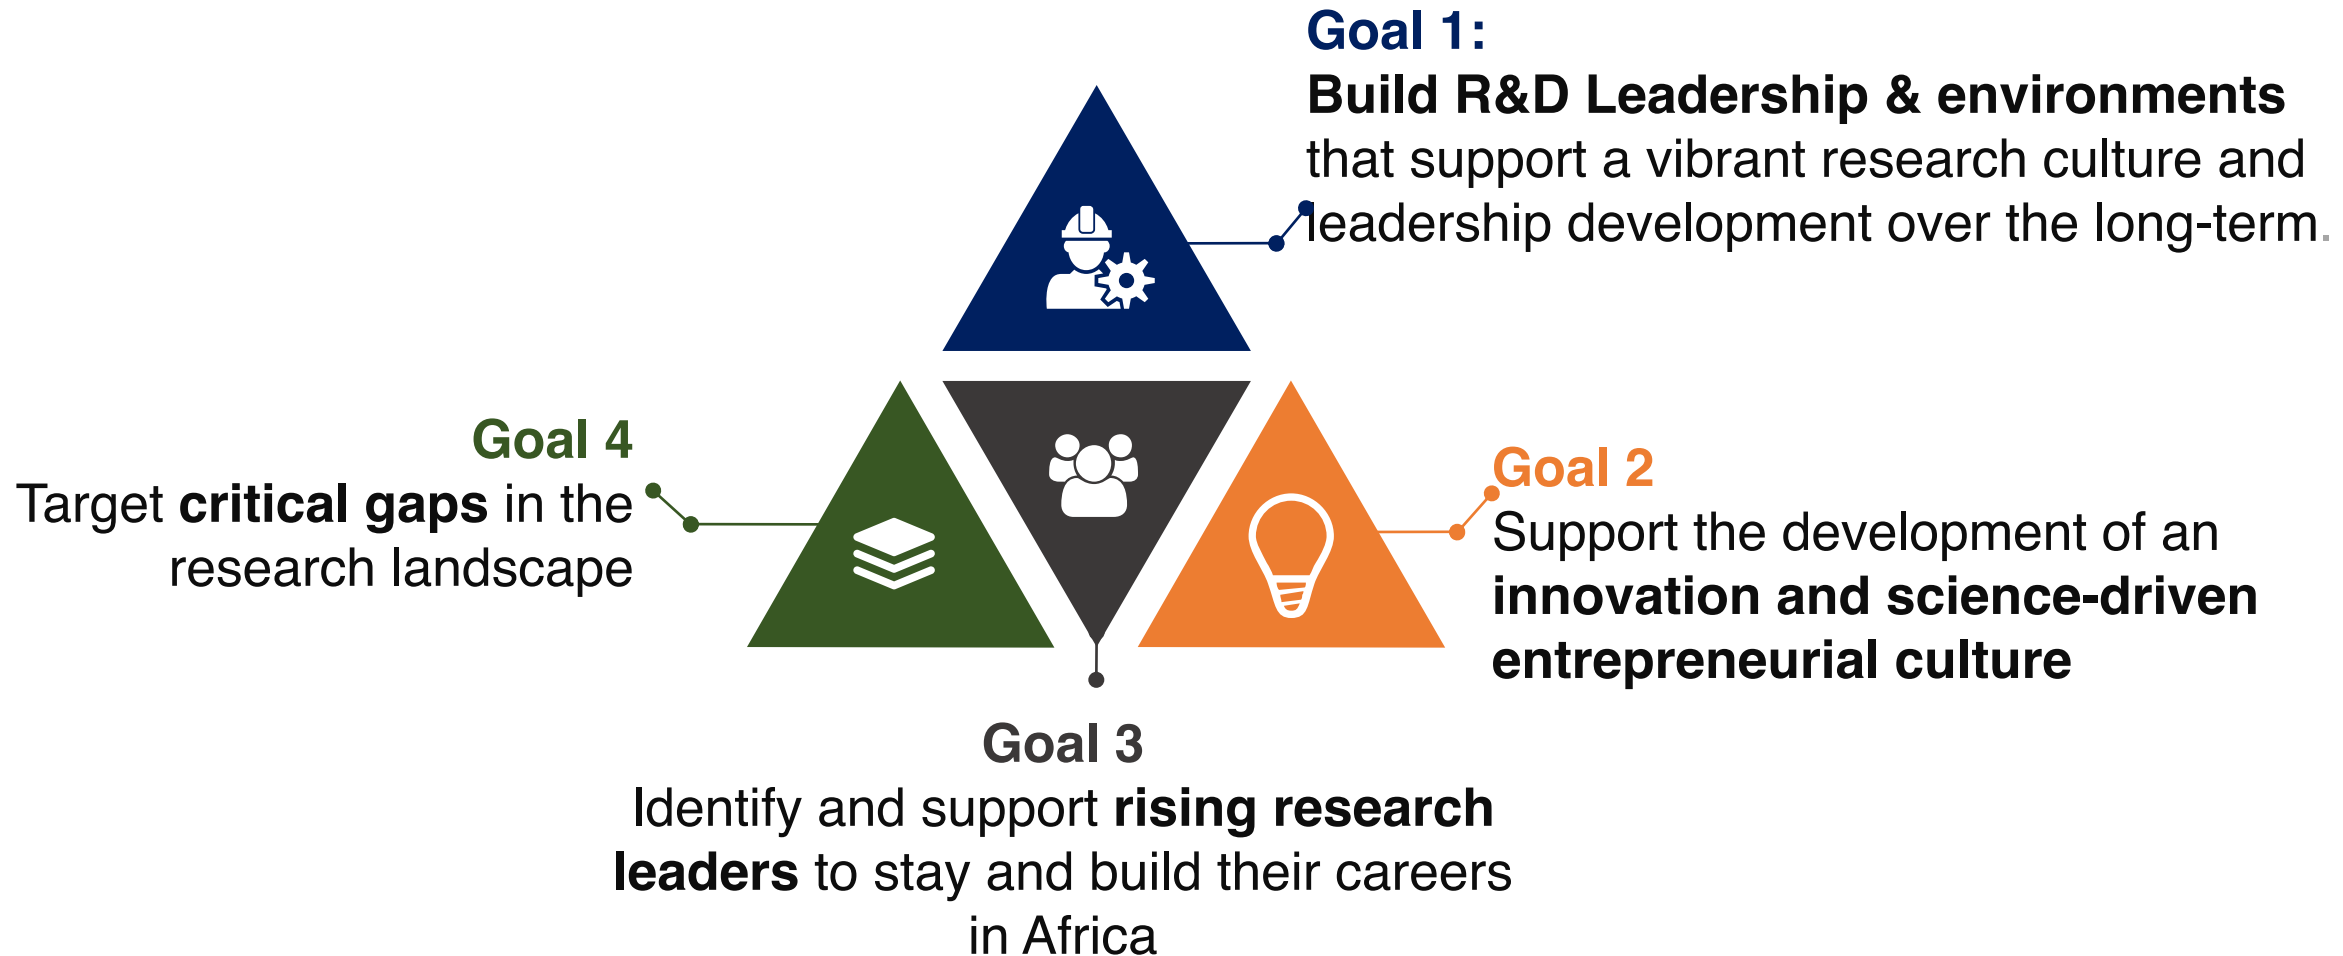

AN INITIATIVE OF THE AAS
& AUDA (AFRICAN UNION
DEVELOPMENT AGENCY)

AFRICAN UNION DEVELOPMENT AGENCY

Shifting the centre of gravity of African Science to Africa

Shifting the Centre of Gravity of African Science

Building Blocks of AESA Partnerships with Funders

Decisions

Renewal & additional resources for core and programmes

Accountability

For resources committed to AAS by partners

Advisory

Ideas, safeguarding existing/new programmes design, delivery

Coordination

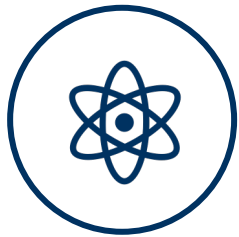

Agree joint implementation among partners with AAS, AUDA

Opportunity

AESA PG provide continued oversight for the next phases

Ten Major Achievements & Challenges

in shifting the centre of gravity of African science to Africa

Increasing **Africa's scientific quality** and **productivity**

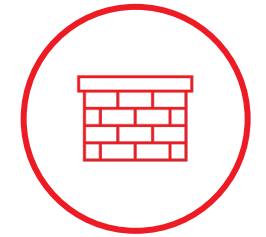

Growing **young African scientists** and supporting women in science

Promoting **equitable partnerships in Africa**

More productive, impactful **intra-African collaborations**

Funding new/emerging centers of scientific advancement/excellence in Africa

African science R&D producing **high-value jobs** for Africa

More funding mobilized by AESA and for **various sciences**

Celebrating increased science, funding and partnerships

Setting **scientific agenda** and the next big priorities for Africa

Transforming lives by **reaching targets for science R&D** for Africa
