MCAA ANNUAL CONFERENCE & GENERAL ASSEMBLY

The MCAA

The **Marie Curie Alumni Association (MCAA)** is an international non-profit organization established and supported by the European Commission.

MCAA members benefit or have benefitted from funding by the **Marie Skłodowska-Curie Actions programme**.

The **vibrant MCAA community** is made of more than **20.000 members from 151 countries**, covering all career stages, all scientific disciplines, and diverse career paths in all economic sectors.

The **MCAA Annual Conference** is a major forum of debate between researchers and stakeholders from **academia, policy-making, industry, and the third sector**.

Over the years, it has become a **key platform** for researchers to contribute to **shaping science policy in Europe**, its impact on research and society at large.

MCAA ANNUAL CONFERENCE & GENERAL ASSEMBLY

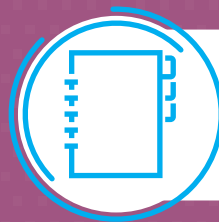

The 10th edition of the MCAA Annual Conference will be held in **Córdoba (Spain)** on the **24th** and **25th** of **February 2023**, as a hybrid event will host plenary speakers, several parallel sessions, poster sessions, and satellite events.

The general theme of the 2023 edition is **Challenges in Science Diplomacy and Sustainable Development**, which will be deepened through a rich programme of plenary and parallel sessions, posters, workshops and satellite events.
