

ISC Members' Forum Program

October 11, 12:45 – 14:00 (UTC)

4. ISC Members' outlook on their contribution to Advance Sustainable Development Goals

Chair: Takashi Kosaki, International Union of Soil Sciences (IUSS)

Co-Chair: Lefa Thamae, Lesotho

Issues:

The objective of the session is to synthesize the points of view of the ISC members in addressing the key determinants to achieve the SDGs and identify the priorities in realizing the 2030 Agenda. ISC members are invited to introduce their vision on key determinants of SDGs based on scientific evidence and to find ways in which to collaborate.

12:45 Takashi Kosaki (IUSS): Opening

12:50 Lefa Thamae (Lesotho): “Capacity building - Gain skill on implementation of SDG in STI”

13:05 Takashi Kosaki (IUSS): “Towards the alliance for environmental education to achieve SDGs”

13:20 Tom Sauer (IUSS): “The need for an ethical background for advancing SDGs (tentative)”

13:35 Rattan Lal (IUSS): “Soil health and the agenda 2030 of the United Nations”

13:50 General Discussion
