

International Conference on Science and Technology for Sustainability 2020

Sep.3 (Thu)・4 (Fri)
2020 Webinar

“Social Inclusion in the Global Era” -Sustainable post-COVID-19 Society-

Now that the mobility of people and goods as the base in the global era is being restricted greatly due to the COVID-19, the issues of sustainability and inclusion at the global level are becoming more important than ever. This Conference will discuss how to make our future inclusive and sustainable, including issues surrounding the transformative change for CO2 mitigation in the “New Normal” post COVID-19.

Date : September 3rd(Thu), 4th(Fri), 2020

Tool : ZOOM Webinar

Capacity : 500 (Registration is necessary)

Language : English

Organizer : Science Council of Japan
