

Official letter for sponsors

Date: November 11, 2020

The organizing committee of the **Second International Congress on the Manufacture of Biotechnological Products and Regulatory Issues (Biomanufacturing 2021)** is pleased to offer you the possibility of being a sponsor of this congress that will be held at the Meliá International Varadero Hotel, Cuba on 3 to 9 October 2021.

Biomanufacturing 2021 is one of the most important congresses biannually developed in Cuba, in the biotechnology and pharmaceutical fields, and constitutes the best option to publicize new products, equipments and technologies, as well as to increase fructiferous commercial and business relationships.

The congress will gathering enterprises belonging to the BIOCUBAFARMA organization and about 150 prestigious foreign speakers, Cubans delegates and important suppliers of raw materials, components and equipments for the Biotechnology and Pharmaceutical industry.

If you decide to be a Sponsor of the Second International Congress on Manufacture of Biotechnological Products and Regulatory Affairs, then the organizing committee of the congress can offer you:

- Free registration for the representative and speakers of your company according to the contribution.
- Chance to make an oral presentation as a great approach to show your experiences to the audience and the opportunity to update your customers on any news or updates on your products.
- The name and logo of your company will be used during the time and performances of the congress, and will be displayed in all promotions on the internet and audiovisual media.
- Opportunity throughout the congress to have contacts and meetings with potential clients and suppliers, which will allow building strategic alliances.
- Other services and special attentions that will receive during the congress.

On the other hand, the sponsorship of the congress will give recognition to your businesses in the growing and prestigious Cuban biopharmaceutical industry, which further boosting even more your credibility in Cuba.

Thank you in advance for your sponsorship, and we hope to see you at Biomanufacturing 2021.

Sincerely,

President of the Organizing Committee
Eng. MSc. Jorge Luis Vega
