Presentation of Ukrainian Science Diaspora conception

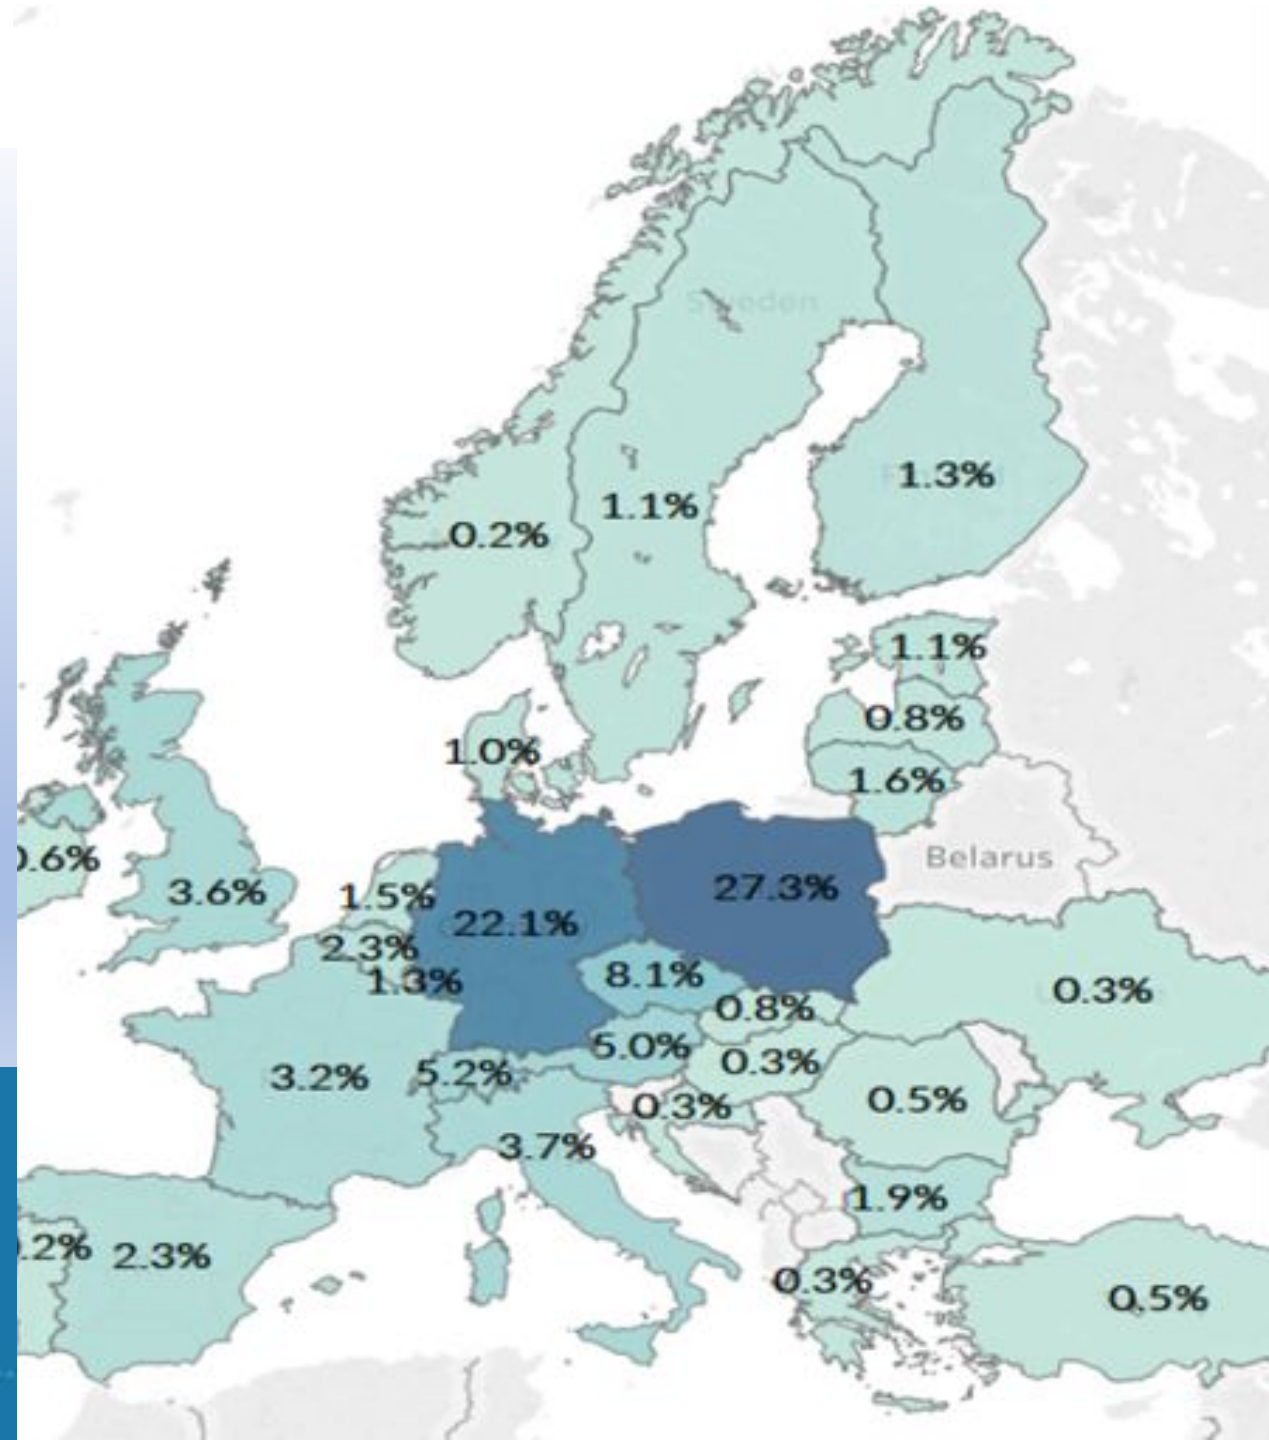

- **Dr Yevheniia Polishchuk**
- Member, Young Scientists Council At The Ministry Of Education And Science In Ukraine

Ukrainian Science Diaspora in Europe

- [Beyond Resilience: Professional Challenges, Preferences, and Plans of Ukrainian Researchers Abroad](#)

Beyond Resilience

Professional Challenges, Preferences,
and Plans of Ukrainian Researchers Abroad

Why Ukrainian Science Diaspora?

- more than 5 000 scholars abroad who left Ukraine after invasion (according to the MESU's assessment)
- requests from colleagues abroad to invite Ukrainian scholars in HE consortium
- huge demand for human capital at the recovery phase

Українська наукова діаспора | Ukrainian Science Diaspora

- The Scholar Support Office at the the Young Scientists Council at the Ministry of Education and Science of Ukraine has launched the “**Українська наукова діаспора | Ukrainian Science Diaspora**” initiative.
- The **aim** of the initiative is to unite the efforts of Ukrainian scientists abroad for further joint research projects, develop tools for their support programs, and their return to Ukraine.

Who is invited to be a part of Ukrainian Science Diaspora?

Those **individuals**

- 1) who do not live in Ukraine
- 2) who have Ukrainian citizenship or relate themselves originally as Ukrainians (have Ukrainian roots)
- 3) who have or had a status of scientist/researcher
- 4) who are interested in common research and other projects related to the recovery and development of Ukraine

The Ukrainian Science Diaspora's actions:

- Identifying the needs of Ukrainian scientists for further development of a policy for their support.
- Engaging the Ukrainian scientific diaspora in dialogue and communication among themselves and with scientists who have remained in Ukraine.
- Consultations on establishing centers of Ukrainian scientific communities in different countries and support for their activities.
- Creating a mapping of the Ukrainian scientific diaspora and a database of those scientists who could participate in joint initiatives in the future.

Ukrainian Science Diaspora initiative will contribute to:

- strengthening of the cohesion of Ukrainians abroad for the implementation of ideas related to post-war reconstruction through science;
- improving of the image of Ukrainian science in the world;
- establishing of effective networking in various fields of science both within the Ukrainian scientific diaspora and between its representatives and scientists in Ukraine;
- Institutional cooperation between Ukrainian and foreign universities and research institutions;
- initiation of mentoring by those representatives of the Ukrainian scientific diaspora who have been living abroad for a long time;
- increasing of the representation of the scientific activity of community members;
- initiation and implementation of charity projects.

What works have been done?

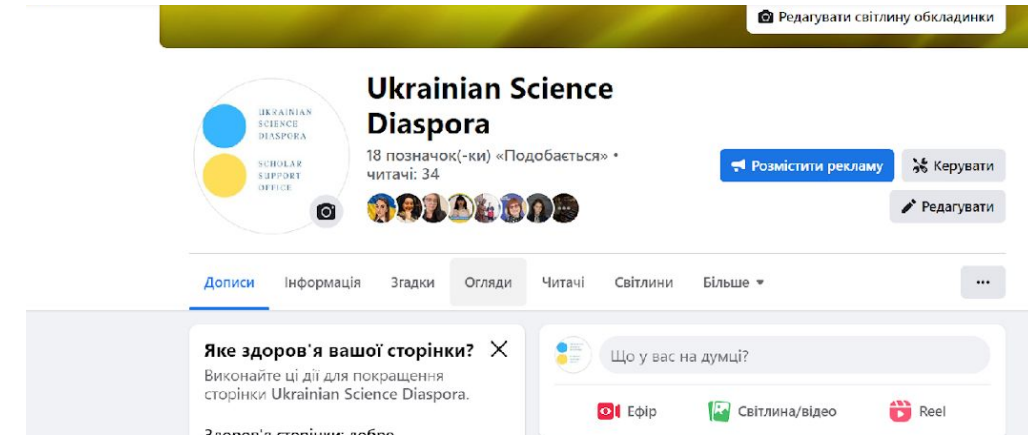

- The initiative is carried out on the basis of the methodological tools of the International Organization for Migration, which is part of the United Nations (**IOM Diaspora Mapping Toolkit**)
- **Desk review** and exploration different scholars' diaspora activities
- **Consultations** with IIE-SRF (Belgium), At-Risk and Displaced Academics and Artists (Canada), Israel Academy of Science
- **Survey** "Ukrainian Science Diaspora" launched
- **Series of conferences** of Ukrainian Science Diaspora in several countries have been launched

Which activities are in progress?

- **The conception of mapping Ukrainian Science Diaspora** in the humanities is developed with the support of the Institute for Human Sciences (Institut für die Wissenschaften vom Menschen, IWM), in partnership with the Ukrainian Research Institute (HURI) at Harvard University and the Harriman Institute at Columbia
- **The digital platform of Ukrainian Science Diaspora** is created in cooperation with Massachusetts Institute of Technology (MIT)
- March 20-22, 2023, **the conference** *One year into the Ukrainian war, exploring the impact on the science sector and supporting initiatives*, organized by ISC and ALLEA, will take place. March 22 will be entire dedicated to Ukrainian Science Diaspora.
