CSIC Headquarters: promotion and management through different units

CSIC´s Centres: promotion and management through different units at different levels.

126 centres

Different possibilities as to management and promotion.

Two levels: Centre > Research Group

Centre

? Promotion Agents of EU projects for researchers in the centre.

? Specialized units for the management of EU projects.

✓ Daily management of the EU project through the Management Unit.

Research Group

? Specialized staff for promotion and management

✓ Project manager when coordinating an EU project.

In a nutshell:

- **International Programmes Unit**
- (Promotion Agents at the Centres)
- (Promotion Agents at the Research Group)

- **International Programme Unit**
- (Project Managers at the Centres)
- (Project Managers at the Reserach Group)

- **Support Unit for Financial Reporting**
- Management Unit at the Centre
- (Project Managers at the Centres or for the group or specific project)

- **Daily Management ->Management Unit at the Centre.**
- (Management through Project Manager at centre level or project)
- Amendments though VRI

Promotion

GA Signature

Financial Reporting

Management

No man is an island

and therefore, VRI needs the support and collaboration of many other units for input in many fields, such as IPR, Dissemination, Ethics…
