Support for Early and Mid-Career Researchers (EMCR)

Regional Focal Point Strategy

- Mentoring and capacity-building opportunities for EMCRs
- Bursaries for EMCRs to attend conferences i.e. INGSA, Kigali
- Diversity of age, career stage, sciences, the least developed and overlooked

ISC programmes

- EMCR newsletter
- Young Academies and Associations (YAA) Forum

**“By nurturing young minds with the right opportunities,
we can make a difference in the world.”**

Young Academies and Associations Roundtable event
5 October, Kuala Lumpur, Malaysia

**International
Science Council**
Regional Focal Point for
Asia and the Pacific

HOSTED BY
**Australian
Academy of
Science**
