

ISC Strategic Plan 2025–2028 *(draft)*

Shaping the Global Voice for Science

Presented by: Peter Gluckman

30 and 31 October 2024 | Online

Background and Purpose

- **CONTEXT**

| 2022 Governing Board's decision for a high-level, flexible strategic plan.

- **OBJECTIVE**

| A guiding framework with clear updatable priorities.

- **CONSULTATION PHASE**

| First consultation in June 2024.

| Second now seeking Member feedback until November 10, 2024.

Vision and Mission of ISC

- **VISION**

- Science as a global public good

- **OBJECTIVE**

- To be a powerful, credible global voice for science

- **SEVEN CORE DOMAINS**

- Science for decision-making
- International collaboration
- Science diplomacy
- Advancing global science rigor
- Supporting science systems
- Upholding scientific freedom and responsibility
- Addressing public policy

The Evolving Context for Science

- **CHALLENGES**

- Rapid technological, societal, and environmental changes
- Misinformation, declining trust in science
- Inequities and scientific freedom pressures

- **ISC'S ROLE**

- Mobilize and unify science to address interconnected global issues

Strategic Priorities 2025–2028

- 1. Nurture Conditions for Science to Thrive**
- 2. Coordinate Science Agendas on Global Issues**
- 3. Shape the Evolution for Science Systems**
- 4. Promote Science Diplomacy**
- 5. Translate Knowledge for Decision-Making**

Member Consultation Goals

- **FEEDBACK SOUGHT**

- Priorities for the ISC and areas for development
- Activities to emphasize or reduce
- Missing components within the current framework

- **METHOD**

- Member input through surveys and direct feedback channels.

Implementing the Strategic Plan

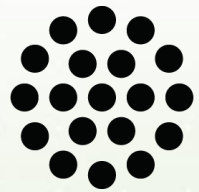

- **OPERATIONAL OBJECTIVES**

- Engaged membership, empowered members, and strategic partnerships
- Enhanced resources through diversified funding
- Monitoring and review: a stocktake in 2026 to refine objectives

Next Steps & Feedback Process

- **CALL TO ACTION**

- Members are invited to submit feedback on priorities and structure
- Timeline: Contributions due by November 10, 2024
- Path Forward: Final plan to be presented at General Assembly in Oman, January 2025
